

Bubblemaker Birthday Party!

Looking for a unique idea for your child's birthday?

How about a SCUBA party?

We call them "Bubblemaker Parties" because that's just what the kids get to do. Make bubbles underwater by actually going **SCUBA** diving. Under the close supervision of one of our professional instructors your birthday girl or boy and their friends will be introduced to **SCUBA** diving.

The party begins at our store where you can use our classroom for gift exchange, birthday cake and ice cream. After that it's off to an indoor heated pool where the fun just gets better. We will introduce all the party participants to **SCUBA** equipment and let each one have a turn swimming underwater. They will actually learn a few basic lessons in **SCUBA** diving during their experience.

Party includes:

- Use of our classroom for party
- 2 hours pool time with Instructor
- Use of all necessary **SCUBA** equipment
- Birthday gift pack for child celebrating birthday
- Temporary tattoo, balloon, and certificate for each child attending
- Invitations suitable for mailing to each invitee prior to party.

Not included:

- Transportation to/from pool
- Birthday cake or ice cream
- Party decorations
